KEY

- Site boundary
- ADC LVIA land parcels
- ADC housing land allocation
- Arable land use with consistent scale and pattern
- Smaller scale equestrian/pastoral use
- Pastoral land use
- Golf course
- Prominent commercial/industrial urban edge
- Prominent residential urban edge
- Low density, residential character on approach to settlement
- Ridgeline creates enclosure and contributes to capacity
- Smaller scale ridgelines add topographical variation
- Containment by ridgeline and mature hedges
- Short distance filtered views west of station
- Views across wider settlement
