To whom it may concern,

I am writing to register my support for the proposed McDonald's restaurant and drive-thru off Lane End in Kirkby-in-Ashfield (Application Reference: V/2025/0003).

I support this application because a new McDonald's would create approximately 120 much-needed new jobs in the local community, as well as further opportunities in construction and the supply chain.

Another reason I support this application is because McDonald's franchises actively support the local community through sponsorship, volunteering and donations to local charities.

A new McDonald's restaurant at this location would be positive for Kirkby-in-Ashfield and I hope that Ashfield District Council is able to support the application.

I worked at Mansfield McDonalds for 5 years. We did local litter picking and charity fun days often. Not only will this bring fun for children but it's a chance to clean up our area and bring in more money for further development.

Kind regards,
