Hi i am writing in as the website doesn't appear to be working.

I wish to formally object to the planning application for V/2025/0003 Street Record, Lane End, Kirkby In Ashfield, Nottinghamshire

Development of a drive-thru restaurant (use class e/sul generis) with associated access, servicing, car parking, hard and soft landscaping and other associated works

**My objection:**

I run a business on New Line Road and the traffic is a serious concern; my employees already struggle to use the road which this McDonald's is proposed to be built around afternoon rush hour of 5-6pm. I strongly believe this new McDonald's will significantly impact the commuting of people who live in the local area and be of negative impact on the local community and business.

My contact details are in the footer of this email.

Kind regards
