OBJECTION TO THE PLANNING APPLICATION V/2025/0027

I STRONGLY OPPOSE TO THIS PLANNING APPLICATION FOR UP TO 149 DEVELLINGS
AT STUBBINGHILL FARM

THIS DEVELOPMENT IS COMPLETELY UNSUITABLE FOR THE AREA
THIS WILL PUT AN UNBERABLE STRAIN ON LOCAL SERVICES
AND INFRASTRUCTURE, ROADS, AND SERVICES.

FIRST AND FOREMOST, THE AREA SIMPLY DOES NOT HAVE THE
INFRASTRUCTURE TO SUPPORT SUCH A LARGE HOUSING PROJECTS
NO EXTRA SCHOOLS, GP SURGERIES AND DENTIST. THEY ARE ALREADY
STRETCHED TO FULL CAPACITY,

THERE IS NO CLEAR PLAN FOR HOW THESE EXTRE HOMES WILL BE
ACCOMMODATED. WITH OUT EXTRA INFRASTRUCTURE IT WILL HAVE
A NEGATIVE IMPACT ON THE COMMUNITY

THERE IS ONE ROAD IN AND ONE OUT WICH IS BRAND LANE
WICH IS DOUBLE PARKED 24/7 AND RIGHT UP TO THE TRAFFIC LIGHTS
ADDING A FURTHER 300 VEHICLES TO THIS ROAD IT WILL BEE
IRRESPONSABLE

THERE IS TWO MORE LARGE HOUSING PROJECTS IN CONSTRUCTION
ONE IS GLEESON GREEN ON STONYFORD ROAD PLUS THE ONE THAS COME
TO A HOLT, ON THE SAME ROAD PLUS THE ONE THAT BACKS INTO
BRIERLEY PARK, SUTTON IN ASHFIELD / WUTHWAITE,

NOT TO MENTION THE MAJOR IMPACT ON THE WILD LIFE

BATS BIRDS SQUIRRELS DEERS NEWTS FOXES INSECTS AND

HERREHOGS TREES AND HEDGEROWS AND MORE WILL BEE AFFECTED

BY THE FLOODING THE EXTRA HOUSING COULD BRING,

MANY THANKS.
