Hi Lara,

I got a letter through the door today regarding a proposal to turn 40-42 Ogle street into 5 residential flats. I just want to voice my opinion/concern on this. Does it have to be 5 flats? Worst case scenario that's potentially 10+ cars. I'm not sure what the parking situation is at the back of the building but I doubt it would accommodate this. Ogle street and Church Drive are already busy for parking so I'm concerned I would no longer be able to park near my house, even though I pay for residential parking every year. Perhaps the free parking at the end of Church drive could also be turned to residential parking to help if this does go through?

Kind regards,
